# Mexico Deaf Missions

June 2021

## Gehm's Note

Linda and I continue contacting the Mexican pastors, leaders, and Christians in Mexico via Skype, WhatsApp and Messenger. We encourage them with the Word of God and prayers.

Several times we preached and taught the Bible on the YouTube for the Deaf Mexican people.

Linda still sends daily devotions on Facebook in Mexico.

Pastors from Mexico City and Ensenada have been teaching the Bible on Zoom every Monday, Wednesday and Friday nights. The Bible study are joined by as many as 20 Deaf Christians from different cities, including Mexico City, Michoacan, Durango, Ensenada, and even Chicago. Now I start to teach on Wednesdays this month of June. Glory to God!

Now we have three testimonies to share here in this newsletter.

We want to thank you for your faithful financial support and prayers that maintains the work of God in Mexico through the Deaf servants. We and the Mexican pastors do appreciate your support. God bless you richly.

Greetings. We opened an online deaf church and started by inviting our original 10 people – now it has grown to over 80 people. Howard, Janet and myself continue to work as a team by studying, writing and preaching through the New Testament.

While I was teaching about John the Baptist in the book of John, a young man named Jonathan contacted me about baptism. He really wanted to be baptized but as we communicated, I realized that he was not a Christian. I spent time teaching him about Jesus and how he could be saved. Soon Jonathan accepted Jesus as his Savior. He traveled over 15 hours to Cuernavaca where we held the service. It has been a joy to mentor this young man. I have now been discipling him each week for almost a year.

Recently we have been praising God for three other people, Jesus, Mika and my sister-in-law that were baptized. Then on May 5th, I was privileged to wed Jesus and Mika at their wedding ceremony. Please pray for them.

Our family is very excited because we are expecting our second child! We came back to Durango to be close to her family during this time. God has used this to connect with her family, baptize our new brothers and sisters in the faith. By the way, please pray for my wife Laura who has her pregnant issue such amniotic fluid. Thank you.

Laura and I want to thank you very much for your support. We do appreciate your thoughtfulness and prayers.

Thank God that we now are having our worship service at church. We do have guidelines to keep our church safe. We have between 10 and 20 attendants. Also, on Wednesday and Friday evenings, we have our Bible study with Christians from different cities including Mexico City, Veracruz, Torreón, Guerrero, and Toluca. Glory to God!

Please help support as we need chairs, and the Illustrated Bibles to give new Christians. Thank you very much. God bless you for your faithfulness in support.

We thank God for you, God bless you always. Even in these difficult times, we try to be in contact with our Deaf brothers through messages and video calls. They have gone through many trials but remain faithful in God's way. Every day we can see the great mercy of our Almighty God. As a testimony I also share that my parents are very old, they fell ill with COVID 19, but God healed them. Blessed be to God! Brethren, I ask you to please continue your prayers for us. Thank you so much for your support. (Gehm's note: Most people do not have computers, but only cellphones.)
