Hi you all,

It has been some time since we have written and we wanted to catch you all up.

We are excited that Ana has completed her last step in the process of getting her green card. My application for temporary residency here in Costa Rica is put on hold. We will be moving to the US at the end of the month where we plan to get some business started. Watch for future updates.

The vocabulary video clips continue to be used by the Deaf in India and Bangladesh. I will continue to monitor it and keep the website up and running. I will also continue consulting on projects others are doing with the Deaf in West Bengal, India as the need arises.

A long season of 26 years with Evangel Bible Translators is coming to a close as we move back to the US. Many of you have faithfully prayed and support into this ministry over the entire time. I deeply thank you and know that God will greatly reward you for your heart and love and sacrifice. The Lord accomplished much through you. At the end of this month I will be resigning from EBT as we pursue a new future in the US.

Our new address is 53845 Otter Lane, La pine, Or 97739. Our mailing address is PO Box 3143....at least until we get a mail box. My new phone is 541-9032315 and Ana's is 458-231-3030. My new email is russelljayjohnson@gmail.com and Ana's is avrosabal@gmail.com. We would love to have visitors.

Again thank you all for your love, prayers and support over the many years!

Your Brother and Sister in Christ,

Russell and Ana
